Tim in KY For once when the organizers say "flat", they actually mean flat. There is one Cat 3 at 30 km from the finish where the route comes down off the plateau to cross a river and then goes back up again.

Joanna in New York Non-Rest-Day-News - Tim wins Stage 2 of TOB!

04-Sep-2018
07:04:31

Tim in KY Pure luck. I took a big chance picking a bunch of QS riders....

04-Sep-2018
07:09:42

Joanna in New York Any time I win a stage it is pure luck as well. Now, Michael Filosa...that Dude has some skill!

04-Sep-2018
07:11:46

BusterSci Picking QS in a race featuring multiple stages like spring classics is hardly a big chance.

04-Sep-2018
07:11:52

Tim in KY Hush, Buster.

04-Sep-2018
07:13:43

BusterSci Right. I was supposed to be napping.

04-Sep-2018
07:14:13

Tim in KY Riders in neutral now.

04-Sep-2018
07:17:48

BusterSci Every race I keep thinking I should pay more attention to picking a team, but instead I do my normal process of picking a couple GC guys I like, a sprinter, and then fill up with low value guys I know. If I have any points left over I replace low value guys with higher value ones until my points run out.

04-Sep-2018
07:26:42

BusterSci And I usually avoid Sky riders.

04-Sep-2018
07:27:06

Tim in KY I do not allow Sky riders, which inevitably hurts my chances.

04-Sep-2018
07:28:26

Tim in KY Should have the proper start soon.

04-Sep-2018
07:31:10

Tim in KY And there we go.

04-Sep-2018
07:33:46

Tim in KY While the doomed break is forming, I will deadhead the geraniums.

04-Sep-2018
07:34:41

Joanna in New York I'm in desperate need of a second cup of tea, but Gracie Cat has me pinned down...

04-Sep-2018
07:38:32

BusterSci Rip was doing the same. Was quietly sleeping on my lap, until I tried reaching for the computer, at which point she'd insist on being petted.

04-Sep-2018
07:44:02

Tim in KY Second abandon of the race. Dan Martin DNS because he went home for the birth of twins yesterday.

04-Sep-2018
07:44:32

Tim in KY Still no break. Usually on sprint stages the break forms early.

04-Sep-2018
07:45:34

Tim in KY Well, now one poor schmuck has 0:40. Jesus Ezquerro (Burgos-BH)

04-Sep-2018

04-Sep-2018
07:47:07

Joanna in New York Extended rest day...

04-Sep-2018
07:49:38

SFinAtx No better reason to abandon. Although it does leave a hole in my team - not that it will matter much.

04-Sep-2018
07:50:34

Joanna in New York So...since I'll be photographing at WEG, I just had the thought "what if it rains?" I jokingly said to myself that I need camera ponchos. Typed Camera Poncho into the Amazon search bar - you guessed it...

04-Sep-2018
07:51:59

Tim in KY It took 50 km for the break to form at ToB and that stage is only 128 km.

04-Sep-2018
07:52:39

Tim in KY Poor Schmuck now has 2:20.

04-Sep-2018
07:55:48

Charles Davis Go Jesus.

04-Sep-2018
07:56:17

Charles Davis The ToB stages have been wonderful to watch. Both were exciting. Greipel was wearing the leader's jersey yesterday and was on bidon duty for the team. He loaded up and a couple minutes later was at the front handing out a bottle. He is a consummate team player.

04-Sep-2018
08:00:11

Charles Davis With the hills, he did finish well off the pace.

04-Sep-2018

04-Sep-2018

04-Sep-2018

04-Sep-2018
08:19:30

Joanna in New York You are cracking me up, Tim!

04-Sep-2018
08:21:12

BusterSci I can see why Porte would try to get in a break for training, but why on a stage like this?

04-Sep-2018
08:23:03

Tim in KY I guess he thought the same thing.

04-Sep-2018
08:23:37

Tim in KY 139 km. 2:50.

04-Sep-2018
08:24:27

Charles Davis He said i was very interested in how the riding was different riding in the laughing group on one of the first stages so maybe he wanted to

04-Sep-2018
08:25:52

see what it was like to be in futile break. More likely he expected more riders to join the break and when they didn't, he gave up.

 **BusterSci** Makes as much sense as anything. 04-Sep-2018 08:28:18

 **Tim in KY** QS also minding the gap at ToB. There it's 0:52. Here it's 3:25. 04-Sep-2018 08:31:53

 **Katie S** Good morning! Tim & Buster, I truly thought you were spouting religion back there. then I realized... OHHHHHH. 04-Sep-2018 08:34:13

 **Charles Davis** Jesus is the man! 04-Sep-2018 08:34:35

 **Katie S** New biking world ... I think I may have told you all a while back that I have decided to end my highway-cycling days (too freaking dangerous anymore) ... ANYWAY, last week we brought home two new bouncing baby mountain bikes and took them for a spin yesterday ... local park called Quarry Park. Which means it's mostly uphill, except when it's downhill. But wheeeeeeeeeeee! Fun fun fun. I'm converted! 04-Sep-2018 08:37:02

 **Tim in KY** British back lanes give me claustrophobia. All that shrubbery. 04-Sep-2018 08:40:09

 **BusterSci** NI! 04-Sep-2018 08:40:56

 **Katie S** are there knights saying Ni?! 04-Sep-2018 08:41:43

 **BusterSci** Nah. Just penguins. 04-Sep-2018 08:42:15

 **Tim in KY** 126 km. 3:33. 04-Sep-2018 08:43:35

 **Tim in KY** Bora has joined QS and COF at the front. 04-Sep-2018 08:44:42

 **Katie S** Tim, I want to say thank you thank you for the work you put into this (and the other) races with all the prep that goes into it. 04-Sep-2018 08:44:44

BusterSci Yeah. I second that. People tend to thank me a lot because I cover the last few km, but it's Tim that sets up the Pub and covers the first 90% of things. Thank Tim, everyone. That's where it belongs.

04-Sep-2018
08:46:35

Tim in KY I would do it for myself, even if I weren't posting it.

04-Sep-2018

04-Sep-2018
08:48:25

04-Sep-2018
08:56:17

memb54 Morning, All. I choose my team much in the way Buster does, but still don't take the lead. I'm sticking to the Red Lantern with both hands and ain't letting go, no matter how much Saskia tries to take it away.

04-Sep-2018

04-Sep-2018
08:58:24

BusterSci My brother does that in our family. He's done some pretty thorough stuff, and just recently hooked up with a different branch of the

04-Sep-2018
08:59:47

family in Kroghville, WI. Got a whole unincorporated village named after the family.

BusterSci How far back are you, Maite?

04-Sep-2018

Joanna in New York Gold is awake!

04-Sep-2018
09:00:38

Gilliemarie Morning all!

04-Sep-2018
09:02:08

BusterSci Hmm. Obviously the day after a holiday. This inspector is never late... 04-Sep-2018
09:02:57

Tim in KY A maternal aunt did that side of the family back to the Mayflower. My brother did the paternal side. The farthest back he could get was a pit sawyer in the Jura in the 1660s. 04-Sep-2018
09:03:07

BusterSci It was our great and great-great grandfather that came over from Norway, but brother has the von Krogh clan back to Denmark in the 14th or 15th century. 04-Sep-2018
09:05:21

Charles Davis I have one ancestor on the maternal side born in good old England in 1620. His son (I think) had 50,000 acres in Abermarle Co Virginia. Folks like that are easier to track. 04-Sep-2018
09:06:36

Charles Davis Clerke changed to Clarke.

04-Sep-2018

Joanna in New York With 50,000 acres, any horses? :-)

04-Sep-2018

Tim in KY Trek send a man to the front.

04-Sep-2018
09:10:05

Charles Davis I never studied on that family. I was working all branches backward and never went back to learn more. That is another hobby that I want to get back to. Now that Ancestry.com is so huge, it is much easier than it was. I can probably double the info that I have on my known family as well as additional families. 04-Sep-2018
09:11:11

Katie S mine came from Germany in the mid-1700s, escaping the law because we were poaching the king's deer. Or so the story goes.

04-Sep-2018
09:16:13

bikerabe with Geraint winning the Tour, became aware that my maternal grandmother was born in Wales, so I'm 1/4 Welsh. I want a Wales Dragon bike jersey. Search for it on duckduckgo

04-Sep-2018
09:20:02

BusterSci Our story was the von Krogh's left Denmark to go to Norway because a Baron von Krogh was caught with another noble's wife. We thought it was a cute story, but my brother found the von Krogh coat of arms in an old heraldry book and took it to a professor at the U of Mn, who said the entry could be read one of two ways: "The Krogh name originated in such and such area of wherever" or "The von Krogh family is forbidden to return to the such and such area of wherever." So maybe...

04-Sep-2018
09:26:46

Katie S oh, go with the good story. Why let possible facts get in the way...

04-Sep-2018
09:27:29

Katie S Robbie saying the peloton should chill a bit ... no need to tighten up the gap yet.

04-Sep-2018
09:28:06

BusterSci We also have a letter from Soren von Krogh (great-great grandfather) to Lindeman von Krogh (great GF) from the late 1800s, saying that now that they are in America he needs to drop the "von" from his name, because it's like a title and Americans aren't supposed to have titles. Frau was very pissed when she learned that, because she thinks that being Ivanka von Krogh would be pretty awesome.

04-Sep-2018
09:30:14

Katie S gotta agree with her

04-Sep-2018
09:31:57

Tim in KY JuJu wins the ToB stage.

04-Sep-2018

04-Sep-2018
09:33:19

Joanna in New York Whoo hoo! Team Tourmalet J will be very happy with today's result!

04-Sep-2018
09:34:38

BusterSci Running off to take Ripley to daycare. All day rain, after two other rainy days, means a dog that is used to getting an 8-10 mile walk daily is a bundle of crazy. Time to go wrestle some labs.

04-Sep-2018
09:35:51

Charles Davis Fun race at ToB.

04-Sep-2018

04-Sep-2018

04-Sep-2018

04-Sep-2018

04-Sep-2018

04-Sep-2018
10:39:27

04-Sep-2018
10:40:59

Katie S gee, thanks Charles.

04-Sep-2018

04-Sep-2018
10:41:52

Katie S Tim/Buster, i'll give that one a go.

04-Sep-2018
