Tim in KY The stage is lumpy and there are a couple of Cat 3 climbs mid-stage, but really nothing that will keep the sprinters from having their day.

16:31:59

BusterSci I will likely be absent most of the stage. I need to get some deck stuff done today and want to take advantage of the cool morning after walkies. There will be much direct sunlight later, which makes things a bit warm, even if it isn't as hot and humid as it has been.

Joanna in New York I'm so out of practice...

Joanna in New York Plus, I have to leave for an appointment this morning - not been my Vuelta.

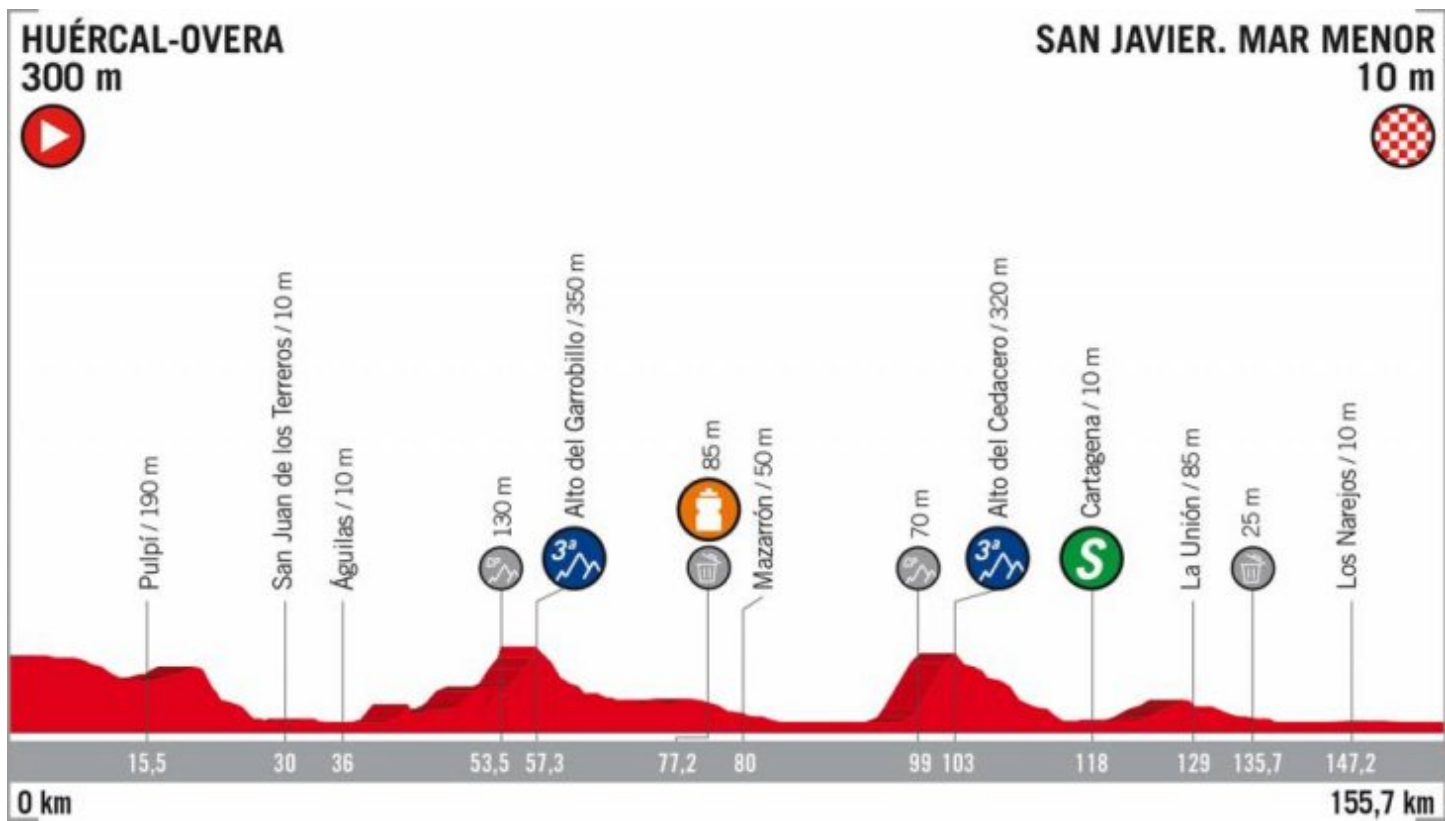

30-Aug-2018

Joanna in New York NBCSN is airing the Vuelta - I was pleasantly surprised when I saw it on my line-up yesterday.

Tim in KY Good morning, Charlie. I'm afraid you will be by yourself for a good chunk of the morning.

30-Aug-2018
07:53:00

Tim in KY Bouhani is toast, I'm afraid.

30-Aug-2018
07:53:27

Charles Davis Bouhani is one of those enigmas. Talented but a head case. He must have had a DS that he could talk to at some point. He needs to re-find that person.

30-Aug-2018
07:55:53

Tim in KY Neutral has started.

30-Aug-2018
07:57:33

Charles Davis Someone said Mollema used a sticky bottle to get back to the lead two after his flat. Seems very believable.

30-Aug-2018
07:58:11

30-Aug-2018

Tim in KY Oddly, Cubero is the best placed at 13:14.

30-Aug-2018
08:14:10

Tim in KY Only 4 km into the race, the gap is 3:20.

30-Aug-2018

30-Aug-2018

Joanna in New York Darnit, the second "n" didn't make it onto "know" in my post...sigh. 30-Aug-2018
09:25:13

Joanna in New York Yes, Artie has matured into a stunning man - he's so freaking sweet, too. What an incredible stallion he is. 30-Aug-2018
09:25:53

Marc @ Toad Hall So glad he completely recovered from that split hoof. 30-Aug-2018
09:26:34

Joanna in New York Now the scar tissue is growing out. The hoof needs to go through another year of replacement (hopefully, the last full hoof growth cycle). I am just happy he is sound and working, albeit very slowly and carefully. Actually, I am just relieved he lived - the rest is a bonus. 30-Aug-2018

30-Aug-2018
10:03:13

30-Aug-2018
10:04:25

Marc @ Toad Hall How is the "combination classification" computed? It's certainly not the sum of sprint and mountain points.

30-Aug-2018
10:04:46

Katie S Good morning! First opportunity to check in ... had trouble finding y'all and then been traveling. Speaking of weather: I was in Phoenix over teh weekend (seeing dad), where the temps were a cool 104 high, then home where it was 60, then to Portland OR (see a colleague) where it was 80. Trying to figure out what to wear all week has been a challenge!

30-Aug-2018
10:05:04

 **Joanna in New York** Both VA and NY had temps in the 90's with humidity pushing to 100 degrees plus - tomorrow will feel fantastic. :-)

 **Katie S** i'm trying to log in to Gold. Anyone remember my password?

30-Aug-2018
10:06:25

 **Tim in KY** Cofidis needs to ease off a bit and let Mate get 3 more points.

30-Aug-2018
10:08:01

 **Joanna in New York** BTW - am so happy to see others join our "Autumn Classics" league on Velogames. While many of the races defy the "classics" label, it is still fun to play the game. Dartboards are getting a workout, though.

30-Aug-2018

30-Aug-2018

30-Aug-2018
11:03:46

Katie Lane Glad to see a Watermelon win, finally. This has been a rather weird Vuelta. Wait, what am I saying ... they're ALL kinda weird...

30-Aug-2018
11:04:12

Joanna in New York Well, as discussed previously, we made all my pedal adjustments and I went and rode on the road. Vertigo 1 - Joanna 0. I didn't crash, but almost fell over when I first mounted the bike, and had to make several emergency dismounts. My stability and confidence are both gone, I will ride on the trainer exclusively. It was worth a shot... :(

30-Aug-2018
11:05:07

Katie S I'm glad you tried!

30-Aug-2018

Tim in KY Well, something has put a bee in the peloton's bonnet. Or shorts. 30-Aug-2018 11:31:36

David Stanley Katie - I just picked up an agent for my latest book. It's a business volume "12 lessons from the factory floor" by a Black man born in Memphis 1934, and how he rose to own his company which employed over 1000 people in the packaging industry. Plus, I have a very cool interview in STAND magazine with a NFL player, Wade Davis - a gay, Black, feminist man. Very insightful, funny guy. 30-Aug-2018 11:31:47

Joanna in New York Katie, Artie says "it's a date". Tell Cath I said "thank you", DStan. Artie has taken my breath away for years, and he just keeps getting better looking. 30-Aug-2018 11:32:01

The man's had a fascinating life. His brother played with BB King, Willie, 14would go to gigs, and they were often so drunk that Willie would end up driving the band home. Lots of nasty racism, too.
