

	<b>Charlie in Tenn</b>	Hi, yes it is early. MSR today. Tour de l-Ain stage race has a bunch of the GC riding (Roglic, Tommy D, Froome, Bernal) It had a great finish yesterday. Others are at Tour of Poland. Carapaz looked good yesterday on a long uphill drag. Both races looked like there would be a sprint finish and the guys sprinting turned out to be the GC/climber types. Good stuff. I live be back in a bit.	08-08-2020 07:42:14
	<b>BusterSci</b>	Tour de l'Ain finish was great. Å Jumbo shredded Ineos. Å First Big Tam took the peloton apart on the next to last climb, then Crosswalk and Bennett gave Ruglick the ride to the line. Å Bernal had nothing left and Roglic rode over the line hands up.	08-08-2020 09:35:39
	<b>BusterSci</b>	If this is any sign of the Tour, there will be clear competition for the Ineos train this year.	08-08-2020 09:38:25
	<b>BusterSci</b>	About 10m from a live stream	08-08-2020 09:39:21
	<b>Charlie in Tenn</b>	Jumbo looked good and will definitely be a force at TdF. I still think Ineos is the team to beat. Quintana looked better than at Ventoux.	08-08-2020 09:42:16
	<b>BusterSci</b>	Nairo know he's got a lot to do himself, so doesn't want to be on peak form yet. Å Nairo always plans peak form for the fourth week of the Tour.	08-08-2020 09:46:42
	<b>mcnally_mi</b>	Good morning. Buster - where did you watch the l'Ain race?	08-08-2020 09:49:59
	<b>BusterSci</b>	Tiz	08-08-2020 09:51:34
	<b>BusterSci</b>	I'm happy to pay for cycling coverage, but when that isn't available to me I have no qualms about going to Tiz.	08-08-2020 09:53:17
	<b>mcnally_mi</b>	Looking at the results on PCS, it seems Aru may be finding his form again.	08-08-2020 09:54:09
	<b>BusterSci</b>	Yes. Å I've been surprised to see him up there recently. Å There was talk that he was resigned to being a domestique.	08-08-2020 09:57:17
	<b>BusterSci</b>	3 minute gp with 105.5 to go	08-08-2020 10:03:20
	<b>BusterSci</b>	The longest race of the season always, but this year it'a a full 305km. Å And my backside will get numb just sitting in a chair watching,.	08-08-2020 10:04:19
	<b>Tim in KY</b>	Probably no snow or ice on the climbs this year.	08-08-2020 10:05:48
	<b>BusterSci</b>	But they will be taking risks with the Giro in October	08-08-2020 10:07:41
	<b>Tim in KY</b>	CSF kit is beyond garrish.	08-08-2020 10:08:41
	<b>donny</b>	Hello all! How is the Hottest MSR on record going?	08-08-2020 10:09:01
	<b>BusterSci</b>	Club ride.	08-08-2020 10:09:18
	<b>BusterSci</b>	No club that I'd be able to keep up with, but ...	08-08-2020 10:09:56
	<b>Tim in KY</b>	Coming up on 3 KU to go.	08-08-2020 10:11:41
	<b>mcnally_mi</b>	Watching the Flo previews of this race there was talk of how this race is often a slow starter and action packed finish. But being without races for so many months this is wonderful to watch for me. Not sure how far this season gets as the numbers are continuing to rise again in Europe. So days like today are a treat.	08-08-2020 10:13:26
	<b>BusterSci</b>	Agreed. Å Fun to have sports to watch again.	08-08-2020 10:14:13
	<b>BusterSci</b>	This race is so long and starts so flat that you can't ride it fast to start, and even more so in August.	08-08-2020 10:15:03
	<b>BusterSci</b>	In the other "bike" news, how about holding a mostly mask-free Sturgis rally this year?	08-08-2020 10:16:37
	<b>mcnally_mi</b>	Very sad to see and unfortunately not a surprise.	08-08-2020 10:17:11
	<b>Charlie in Tenn</b>	The World Championships will be cancelled unless Swiss Gov relaxes the standards next week. They probably won't.	08-08-2020 10:19:44
	<b>mcnally_mi</b>	Buster - to follow up on my canceled 21-day France journey in June. We were able to get credits on everything. AirBnB gave us a refund as did Discover France. But the big bulk went with credits. Took awhile to get there, but it was an acceptable outcome as we are going to give next June a go if things improve.	08-08-2020 10:20:13
	<b>Charlie in Tenn</b>	Hello all you lurkers	08-08-2020 10:20:22
	<b>BusterSci</b>	June might happen. Å I'm assuming I'm not going anywhere internationally until 2022.	08-08-2020 10:21:42
	<b>Charlie in Tenn</b>	I agree with Buster about TIZ. If I can see a race on paid TV (Flo this year) that is great but if not I am on TIZ.	08-08-2020 10:22:10
	<b>mcnally_mi</b>	Most of the credits came with the "must be used in 365 days" type of language. We have changed up the trip a lot for this go round and for the Tour start we are now looking at Brittany from what it is sounding like.	08-08-2020 10:24:12
	<b>Tim in KY</b>	Delta actually gave us a refund because they cancelled out flight to Paris.	08-08-2020 10:27:04
	<b>mcnally_mi</b>	That's great, Tim. We were only given a credit from Delta.	08-08-2020 10:28:05
	<b>Charlie in Tenn</b>	We got our money back and some credits for our tripÅ to Italy this October. I am happy with the outcome. No idea what my wife plans for next year yet.	08-08-2020 10:28:58
	<b>Charlie in Tenn</b>	Pretty sure our international flight was refunded. Domestic flights were credits.	08-08-2020 10:30:34
	<b>Tim in KY</b>	Didn't look like a bad crash, but Trentin looks a mess.	08-08-2020 10:33:06
	<b>mcnally_mi</b>	Any of your travels take you all to Pau? We are going to be spending a week there if we travel next year.	08-08-2020 10:39:14
	<b>BusterSci</b>	I spent 4 days in Pau and Tarbes for work. Å The cities themselves aren't all that exciting but they would make good bases for the Pyrenees, especially if you're riding.	08-08-2020 10:41:53
	<b>BusterSci</b>	But get there early. Å Hotter than a really hot thing on a hot day.	08-08-2020 10:42:18
	<b>mcnally_mi</b>	That was the idea. To base there and do some rides and visit some of the small towns in the Pyrenees. We would be there a week before the Tour start, so it would be mid-June.	08-08-2020 10:44:09
	<b>BusterSci</b>	It'll be warm, for sure. Å But you don't have to go far for pretty. Å Just make sure your lodgings have AC.	08-08-2020 10:48:27
	<b>mcnally_mi</b>	They just posted the full results from l'Ain. Froome was 12 minutes back, Thomas and Dumoulin were 5 back. Will be interesting to see if Froome shows something at the Dauphine to secure his spot in the TdF.	08-08-2020 10:57:40
	<b>BusterSci</b>	It's misleading to look at Froome or Dumoulin's performance. Å They were there as, and clearly functioned as, domestiques for the designated leader. Å That doesn't mean they're incapable of leading, but they were there to shred the field and then pedal in on their own. Å Thomas is a slightly different case, I think, because he may have been trying for more. Å It was hard to tell.	08-08-2020 11:00:12
	<b>Charlie in Tenn</b>	I agree.	08-08-2020 11:01:46
	<b>mcnally_mi</b>	One of the Podcasts I was listening to (I believe it was the Cycling News podcast) speculated the last Ineos Tour spot is down to Tao and Froome. And if the role was as a domestique it would go to Tao. I'm interested to see how they play it. Sivakov might be the second best rider on that team going into the Tour.	08-08-2020 11:04:21
	<b>Tim in KY</b>	The km to go graphic was at 69.3 for about 5 minutes.	08-08-2020 11:06:20
	<b>BusterSci</b>	RCS does not do good gaps	08-08-2020 11:07:00
	<b>BusterSci</b>	Interesting on Ineos. Å With Froome moving on, there's no reason to cater to his whims unless there's a real possibility he could bring in a 5th.	08-08-2020 11:07:37
	<b>BusterSci</b>	Nibali with intentions again?	08-08-2020 11:11:56
	<b>Tim in KY</b>	Breakaway is breaking up.	08-08-2020 11:13:42
	<b>Charlie in Tenn</b>	This is such a long race. Nibs wants to win again.	08-08-2020 11:14:22
	<b>BusterSci</b>	My heart is with PhilGil this year. Å I'd love to see him get his 5th monument.	08-08-2020 11:15:07
	<b>Charlie in Tenn</b>	Froome has to do better at the Dauphine or I could see them not taking him. They have Sivakov. I think they will take Froome but truly expect him to be a helper. We will see.	08-08-2020 11:17:26
	<b>mcnally_mi</b>	Pub going to be open during the Dauphine?	08-08-2020 11:18:55
	<b>BusterSci</b>	I think the decisions aren't based on what we see, but rather what the power meters show.	08-08-2020 11:19:54
	<b>BusterSci</b>	I can do the Dauphine, but probably not for 5 participants.	08-08-2020 11:20:34
	<b>Charlie in Tenn</b>	Yep, we need more peeps.	08-08-2020 11:21:59
	<b>Charlie in Tenn</b>	Buster is right about the teamdecisions being based on stuff we don't know about.	08-08-2020 11:23:00
	<b>Charlie in Tenn</b>	Who is gonna win this thing?	08-08-2020 11:23:33
	<b>BusterSci</b>	Anyone.	08-08-2020 11:24:04
	<b>Charlie in Tenn</b>	No, MVdP can't win.	08-08-2020 11:24:28
	<b>BusterSci</b>	Why's that? Å Did I miss something?	08-08-2020 11:24:42
	<b>BusterSci</b>	Or is it because you didn't pick him?	08-08-2020 11:24:49
	<b>Charlie in Tenn</b>	The distance. Maybe.	08-08-2020 11:25:07
	<b>BusterSci</b>	I don't think that's an issue.	08-08-2020 11:25:23
	<b>mcnally_mi</b>	Kind of comes down to whether they can shake off the sprinters that have the ability to get over the climbs.	08-08-2020 11:25:32
	<b>Charlie in Tenn</b>	I picked Nibs, Kwiato, Sagan. I have no idea. I like Nizzolo, Ewan, Naesen, and about 20 others.	08-08-2020 11:26:36
	<b>BusterSci</b>	You just don't know with this race until the end.	08-08-2020 11:26:40
	<b>Charlie in Tenn</b>	That is whyl have 25 favorites.	08-08-2020 11:27:19
	<b>BusterSci</b>	Even a guy making it over the Poggio first doesn't mean he's going to win.	08-08-2020 11:27:26
	<b>Charlie in Tenn</b>	yep.	08-08-2020 11:27:42
	<b>Charlie in Tenn</b>	To many races to keep up. Tour of Poland has been good except for the crash. Mads Pedersen got his first win in the rainbow jersey, Remco looks good. Carapaz won yesterday. Good stuff evry day.	08-08-2020 11:36:14
