10-18-2020

10-18-2020

05:56:59

mmcally Looks like mid-50's today for Flanders.

10-18-2020

Tim in KY Cold cobbles in Belgium.

10-18-2020
06:04:04

Tim in KY Visconti is in the Giro break and EF isn't going to put up with that.

10-18-2020
06:05:40

BusterSci Giro: Andrea Vendrame, Luca Chirico, Manuele Boaro, Mark Padun, Nathan Haas, Daniel Navarro, Thomas De Gendt, Matthew Holmes, Davide Villella, Rohan Dennis, Giovanni Visconti and Edoardo Zardini.

10-18-2020
06:10:06

Tim in KY The problem EF has is that DeGendt and Dennis are in that break.

10-18-2020
06:20:30

BusterSci And there's no reason for anyone else to chase, other than keeping things close enough for a stage win on the last climb.

10-18-2020
06:27:29

Tim in KY EF has given up so Visconti will take over the blue jersey.

10-18-2020

10-18-2020
06:49:56

Tim in KY 2:35 is the gap to Guerreiro, who is chasing on his own. The gap to the peloton is 6:51.

10-18-2020
06:50:11

Tim in KY Sheep!

10-18-2020
06:55:08

Tim in KY An NTT joins the Sunweb at the front. ^ Gap at 6:42.

10-18-2020
07:00:14

BusterSci Wout in a crash at Flanders. ^ He's up and ready to roll

10-18-2020
07:03:38

BusterSci Wout went down into the tall grass, so had an easy fall. Â A Couple Bahraains and a Movie hit the tarmac hard. Â The move stayed down for at least a bit.

10-18-2020
07:05:30

Tim in KY Break crests the first climb right on the imagined time. Visconti takes 18 KOM points.

10-18-2020
07:06:03

BusterSci Wellens was the worst off of the crashers, as far as time lost. Â He's a minute behind.

10-18-2020
07:08:10

BusterSci The peloton did seem to wait a it for Wout, although he had help and got back on quickly. Â EBH on the attack now.

10-18-2020
07:08:37

BusterSci Gap down below 6:30 as it's getting a bit serious

10-18-2020
07:09:34

BusterSci Wout looks unharmed

10-18-2020
07:11:07

BusterSci Some are saying Wout looks unhappy on the bike. Â Trying to decide if that's pissed (may be a good thing) or uncomfortable (bad thing)

10-18-2020
07:13:56

BusterSci LEVEL CROSSING CLOSING. Stops the peloton

10-18-2020
07:14:09

BusterSci EBH gets away

10-18-2020
07:14:25

BusterSci Just before they closed it

10-18-2020
07:14:34

BusterSci Now the chasers from that crash get back on. Â And they're off again

10-18-2020
07:30:50

10-18-2020
07:32:28

10-18-2020
07:33:26

BusterSci 6s for EBH

10-18-2020
07:33:55

BusterSci SKA catches EBH and the peloton is together at 5:16 back, 92km to go

10-18-2020

07:37:51

BusterSci He was outside the time limit anyway, though, right?

10-18-2020

07:38:09

Tim in KY He was, but the jury let him stay in.

10-18-2020

07:38:38

BusterSci An EF rider got either a rain cape or musette caught in his back wheel and lost the pack.

10-18-2020

07:38:42

BusterSci That's awfully nice of the Jury. Â I wonder if the high attrition rate played into that decision?

10-18-2020

07:39:07

Tim in KY Crash in the NTT train.Â Pozo stays upright.

10-18-2020

07:40:09

10-18-2020

07:42:07

BusterSci A large group rides clear of the chase.

10-18-2020

07:45:35

BusterSci I don't see huge names in it, but the rest of the peloton doesn't like it and they're chased down.

10-18-2020

07:46:09

mmcally That photo is tad out of context. Ala rolled up to the line and Bettiol, Wout and van der Poel were already there. He fist bumped all of them. Who knows what Wout and va der Poel did when they rolled up as the video was not on them at that point.

10-18-2020
07:46:19

BusterSci With all the chatter between them it may be accurate even out of context. Â But your point is taken.

10-18-2020
07:47:23

BusterSci 4 minute gap

10-18-2020
07:47:35

BusterSci So one of the commentators on Flo is Juan Antonio Flecha, I assume?

10-18-2020
07:48:04

mmcally Flecha is doing Flanders with Boulting.

10-18-2020
07:48:49

BusterSci Where do you find that?

10-18-2020
07:49:41

07:56:20

BusterSci On and off

10-18-2020
07:56:22

mmcally Was catching up on The Cycling Podcast episodes. Ian Boswell took quite a shot at Vaughters the other day. "I heard all of the different stories about American riders on that team. I felt like there were a lot of American riders that became JV's projects and thankfully I was never one of his projects." Ouch.

10-18-2020

10-18-2020

Katie S Good morning. I am beyond-category impressed that you all are riding both races. I think I'll save Flanders for later today/this evening - men's and women's. How many km left?

10-18-2020
08:02:14

Katie S at the Giro, it's autumn in the mountains and just spectacularly beautiful. Plus, guys are riding bikes.

10-18-2020
08:02:51

Tim in KY About 4 km to the top of the second climb.

10-18-2020
08:03:26

Katie S I think the guys just rode past a ghost bike set down on the wrong size of the guard rail

10-18-2020
08:03:31

BusterSci The chase looks serious again in Flanders, but the gap isn't coming down much.

10-18-2020
08:04:31

BusterSci The guys at the front of the peloton are not soft pedaling though.

10-18-2020

10-18-2020
08:09:39

Tim in KY Brand new asphalt.Â Seen a lot of that along the way

10-18-2020
08:09:54

BusterSci And attrition is starting to take a toll on the peloton as it breaks up on climbs and cobbled sections

10-18-2020
08:11:07

Tim in KY Brambilla has abandon because of knee pain.Â Nibbles doesn't have many guys left.

10-18-2020

10-18-2020
08:40:04

Â Â I certainly agree that the Moto was where it should have been. Â I am not sure that the radio played in part in that at all. Â I don't have any place, to place, the blame for that accident.
