	<b>Tim in KY</b> The profile looks very lumpy but the betting is on a bunch sprint finish. The two early climbs are no problem. The issue is, can season-weary sprinter stay with the peloton on a 3 kilometer 9.5% Cat 2 that peaks 24 kilometers from the finish.	24-Aug-2019 16:53:17

	<b>Tim in KY</b> Now the break fight.	25-Aug-2019 06:32:38
	<b>Tim in KY</b> Willem Smit (Katusha Alpecin) has 0:43 On the rest of the peloton as they start the long 20 km Cat 2 first climb.	25-Aug-2019 06:56:39
	<b>Tim in KY</b> Luka Mezgec and Dion Smith of MTS crashed but are back in the peloton. Smith visited the Doc Mobile.	25-Aug-2019 06:58:43
	<b>Tim in KY</b> On the climb, Sander Armée (Lotto Soudal) and Angel Madrazo (Burgos-BH) lead the peloton by 2:23. there is a two man cahse at 0:30.	25-Aug-2019 07:01:47
	<b>Tim in KY</b> Now that Buster is here, I will do some chores.	25-Aug-2019 07:02:56
	<b>BusterSci</b> Do them chores, T. Do the HELL out of them!	25-Aug-2019 07:06:38
	<b>BusterSci</b> So we have two out front with about 4 minutes, and another pair chasing them.	25-Aug-2019 07:18:27
	<b>BusterSci</b> That's Armée and Madrazo in the lead with Lastra (Caja Rural-Seguros RGA) and Willie Smit (Katusha Alpecin) about a half minute behind.	25-Aug-2019 07:19:49
	<b>BusterSci</b> 4:30 the gap for the front 2 over the peloton.	25-Aug-2019 07:23:49
	<b>Tim in KY</b> Astana is minding the gap. Perhaps the sprinters teams are not fully confident their guys can handle that final climb.	25-Aug-2019 07:25:26
	<b>BusterSci</b> In other news, from the world of the pointy ball, I see the Indianapolis Colts are out of Luck.	25-Aug-2019 07:26:06
	<b>Tim in KY</b> You keep track of such things?	25-Aug-2019 07:26:57
	<b>Tim in KY</b> Nearing the summit of the first climb. The gap is 5:20.	25-Aug-2019 07:27:36
	<b>BusterSci</b> It popped up on a news summary site. I try to keep it to things I'm interested in but the AI bots keep trying to expand my horizons.	25-Aug-2019 07:27:59

	<b>Tim in KY</b> Gap is out to 6:33. Madrazo is the virtual Red by a good 5:00.	25-Aug-2019 07:38:40

	<b>Tim in KY</b> Good luck, Charle. I'm certainly not looking forward to it.	25-Aug-2019 07:53:11
	<b>Tim in KY</b> KOM results: 1. Angel Madrazo (Burgos-BH), 5 pts 2. Sander Armée (Lotto-Soudal), 3 pts 3. Jonathan Lastra (Caja Rural-Seguros RGA), 1 pt	25-Aug-2019 07:53:59
	<b>Tim in KY</b> With 148 to go the gap is up to 7:00.	25-Aug-2019 07:54:16
	<b>Tim in KY</b> The leaders are on the first Cat 3.	25-Aug-2019 07:55:27
	<b>Roy McKelvey</b> Good morning all. I just tried to ask where it was best to watch the stage and our chat bot told me I said something offensive...wha??	25-Aug-2019 07:56:21
	<b>Roy McKelvey</b> That worked :)	25-Aug-2019 07:56:38
	<b>BusterSci</b> I just got rid of three yards of collected crap from the garage. Have another yard of stuff that's worth cleaning up and donating and a few items that might be better on Craigslist. And I'm not going anywhere.	25-Aug-2019 07:56:46
	<b>Charlie in Tenn</b> Go Sander. That cat 2 at the end looks tough for the sprinters.	25-Aug-2019 07:56:54
	<b>Tim in KY</b> I think that's why the sprinters teams are not at the front.	25-Aug-2019 07:57:48
	<b>Charlie in Tenn</b> Roy, happens to everyone. I think words ending in T before watch sets it off.	25-Aug-2019 07:59:55

	<b>BusterSci</b> Roy, your first attempt had a word ending in "T" immediately prior to "watch". Remove the space and you'll see it creates a four letter sequence that is used in many non-North American countries as a casual derogatory term but carries other meanings that are more offensive.	25-Aug-2019 08:00:10
	<b>Tim in KY</b> The two chasers finally caught the two leaders so now we have a four man break at 6:55. That has been the gap for many km now.	25-Aug-2019 08:02:53
	<b>Charlie in Tenn</b> last year Mons got frustrated and wrote something offensive (F word ?)just to get the error message and it went through. Funniest incident of non-regulation ever.	25-Aug-2019 08:03:46
	<b>BusterSci</b> Our fall trip is mostly planned. 3 or 4 days in Alsace, a couple days wandering Lorraine for Maginot line ruins and a full day tour of Verdun, a day in Reims for a cathedral and some bubbly, and then 3 days at a nice little place in the Paris 5th.	25-Aug-2019 08:04:52
	<b>Charlie in Tenn</b> Seems ok. Our fall trip is to Disney World for lots of dinners and breakfasts with Princesses and the like. I hope I survive.	25-Aug-2019 08:07:46
	<b>Donny</b> Dates on the Paris days buster?	25-Aug-2019 08:08:46
	<b>Tim in KY</b> The 5th, Buster? That's a change.	25-Aug-2019 08:09:43
	<b>Tim in KY</b> I don't think it's possible to hold a gap at exactly 6:55 for 30 km.	25-Aug-2019 08:11:30
	<b>Donny</b> 14 km to go tour L’avenir just in case anyone wanted to know. Personally I’m not interested but that is what we have on Eurosport	25-Aug-2019 08:12:28
	<b>Tim in KY</b> The leaders are 20 minutes slower than the slowest imaginable time if the ASO tracker is to be believed.	25-Aug-2019 08:14:39
	<b>BusterSci</b> Sorry, I stepped away to take an update call from my dad. My younger brother's family spent much of the day with him yesterday (to give me a weekend off) and he's doing great. Now I'll answer the other questions.	25-Aug-2019 08:15:09
	<b>Charlie in Tenn</b> Glad he is doing so well. Glad your brother can take a shift as well.	25-Aug-2019 08:16:03
	<b>Tim in KY</b> KOM on the Cat 3: 1. Angel Madrazo (Burgos-BH), 3 pts 2. Jonathan Lastra (Caja Rural-Seguros RGA), 2 pts 3. Sander Armée (Lotto-Soudal), 1 pt.	25-Aug-2019 08:17:42
	<b>BusterSci</b> Tim, yes, the 5th is different for us. We've always stayed in the 7th when we rent places, but since we're only doing two nights we thought we'd try something different. Donny, Paris nights are 01 and 02 Nov.	25-Aug-2019 08:17:58
	<b>Charlie in Tenn</b> Donny, the tour L’avenir is a great place to pick up names for long shot riders that get to the top teams next year.	25-Aug-2019 08:18:22
	<b>Tim in KY</b> Madrazo gets the KOM jersey at the end of the day.	25-Aug-2019 08:19:18
	<b>BusterSci</b> Since the flight back is like 10AM from CDG, we head out to an airport hotel the night before just to remove the possibility of strikes and protests and all that Paris goodness making the airport transfer difficult.	25-Aug-2019 08:22:58
	<b>Tim in KY</b> Theoretically, Armée could get the blue dots if he's first over the last Cat 2 and Madrazo gets no points there. That's not going to happen. 4 KU to go and the gap has plummeted to 6:47.	25-Aug-2019 08:24:07
	<b>BusterSci</b> Best part of the trip planning so far is that our plane tickets and three hotel nights in Paris/CDG have cost a total of \$121. Got some good deals with credit card points.	25-Aug-2019 08:29:35
	<b>Tim in KY</b> That's it for me today. Off to church.	25-Aug-2019 08:30:05
	<b>BusterSci</b> 20m or so until video starts.	25-Aug-2019 08:30:33

	<b>Charlie in Tenn</b> Credit card points. That is one of those spend a lot of money now and we will save you a little bit at some future point. Not knocking it, I use them to.	25-Aug-2019 08:35:10
	<b>BusterSci</b> We haven't carried a balance in decades, and we aren't impulse buyers. So the CC is just our method to exist in an increasingly cashless society.	25-Aug-2019 08:38:53
	<b>Charlie in Tenn</b> Us to. I think we carried a balance 2 different months in the last 4 years. Both times it was my fault for not paying attention.	25-Aug-2019 08:46:19
	<b>Charlie in Tenn</b> The race's technical director, Fernando Escartin, says to beware of the closing flat kilometers along the seaside. Possibility of echelons! That could be wild.	25-Aug-2019 08:55:01
	<b>BusterSci</b> Echelons and leaking hoses.	25-Aug-2019 08:55:18
	<b>BusterSci</b> Anybody have a stream yet? It was supposed to start 5 minutes ago.	25-Aug-2019 08:56:02
	<b>BusterSci</b> I guess Tim's info is a little different. Steephill says at the top of the hour.	25-Aug-2019 08:58:33
	<b>BusterSci</b> Streaming has begun.	25-Aug-2019 09:01:18
	<b>BusterSci</b> If that's the Vuelta theme song I'm glad I'm not anywhere near it.	25-Aug-2019 09:01:39
	<b>BusterSci</b> Bikerabe! Welcome, sit.	25-Aug-2019 09:01:59
	<b>BusterSci</b> Sir. Not sure if that was fat fingers or the overaggressive autocorrect.	25-Aug-2019 09:02:53

	<b>Trish in MA</b> Good morning, all. Today's stage goes through the area we were in 2 years ago during the Vuelta. I could go to the exact same spot and watch the Tour go by, then walk a few blocks and watch it come back. My husband is taping it just so that we can say, "We were there!" and "We were there!"	25-Aug-2019 09:17:54
	<b>Charlie in Tenn</b> Cool	25-Aug-2019 09:18:20
	<b>BusterSci</b> We'll be in the area where the Tour went through Alsace this year. I've been considering a detour to planche des belle filles just to see it.	25-Aug-2019 09:23:27

	<b>BusterSci</b> Either shrooms or really ugly pancakes.	25-Aug-2019 09:24:12
	<b>Trish in MA</b> This is a hen of the woods mushroom a neighbor gave me. He'd had to throw away another one the same size	25-Aug-2019 09:24:17
	<b>Trish in MA</b> It weighs in at 6.5 pounds	25-Aug-2019 09:25:24
	<b>Trish in MA</b> I am now going to make pancakes.	25-Aug-2019 09:27:02

	<b>BusterSci</b> Hope they look better than that.	25-Aug-2019 09:32:17
	<b>BusterSci</b> I'm having buttered baguette with Manchego.	25-Aug-2019 09:32:32
	<b>Trish in MA</b> That sounds awesome. The mushrooms are delicious, btw, for all their ugliness. We had some last night in a vegetable melange.	25-Aug-2019 09:34:55
	<b>Donny</b> How you gonna put a 6.5 pound mushroom on a pizza?	25-Aug-2019 09:35:29
	<b>Trish in MA</b> That would be fantastic. You never get enough mushrooms on pizza and they are always those horrible canned ones	25-Aug-2019 09:36:23
	<b>Donny</b> What do they taste like? How's the texture? It's been a while so nice I have had a new mushroom experience	25-Aug-2019 09:37:43
	<b>BusterSci</b> you need to overdub Roy Scheider saying "You're going to need a bigger pizza"	25-Aug-2019 09:37:58
	<b>BusterSci</b> Here you go, Donny. A new mushroom experience.	25-Aug-2019 09:39:16

	<b>BusterSci</b> I'll be disappearing for the finale. DSDagies is coming over to do a bit of woodworking.	25-Aug-2019 09:42:36
	<b>Trish in MA</b> Donny, they taste like mushrooms. They aren't that gummy texture that the canned mushrooms or even the fresh crimini get. Much firmer. There are some parts that are just too chewy and tough, but I can trim those away. The chicken in the woods mushroom I found a few weeks ago tasted like chicken. My neighbor is going to make cream of mushroom soup with some of the mushroom that she took It should be fantastic.	25-Aug-2019 09:43:52
	<b>BusterSci</b> A combo forager/grower opened a shop in St Paul. They're always circulating something unusual along with the standbys, and their morels are amazingly good.	25-Aug-2019 09:45:46
	<b>Marc @ Toad Hall</b> Love morels. Chix/woods is less dramatic, Unless you want to serve a crown right away, poach it in stock and freeze for soups, stew, and sauces. A dollop of sherry helps.	25-Aug-2019 09:47:38
	<b>Donny</b> Just looked it up, Maitake mushroom! Never seen a whole one before.	25-Aug-2019 09:47:59
	<b>BusterSci</b> The storefront is tiny because most of their retail space is taken up by a giant glass enclosure with dozens of different shrooms growing inside in proper conditions. The glass is coated so you can see in but the stuff inside can thrive in the low light. I feel an affinity toward shrooms because we're both fungi.	25-Aug-2019 09:48:11
	<b>BusterSci</b> Bora on the front. Astana doing their duty up there, too.	25-Aug-2019 09:50:39
	<b>Trish in MA</b> When I was in Montreal, I had a dish that was essentially morels and other other foraged mushrooms on top of pureed potatoes. Oh, my heavens, it was so delicious.	25-Aug-2019 09:50:56
	<b>BusterSci</b> I've had morels in many places, US and Europe. Those from the upper midwest are easily the best. MN, IA, WI and I'll sacrilegiously include MI in that.	25-Aug-2019 09:52:47
	<b>BusterSci</b> That's not a MI dis, rather that MI is not upper midwest. More typically grouped with OH, PA and IN.	25-Aug-2019 09:54:08
	<b>Marc @ Toad Hall</b> Best morels I ever had were in a cedar grave on the north shore of Lake Superior.	25-Aug-2019 09:57:44
	<b>BusterSci</b> Minnie north shore to Ontario?	25-Aug-2019 09:58:43

	<b>BusterSci</b> And am I correct that you meant "grove"?	25-Aug-2019 09:59:21
	<b>Charlie in Tenn</b> My parents hunted morels in the west KY woods. They might be as good as upper midwest but I sure did like them.	25-Aug-2019 10:01:39
	<b>Trish in MA</b> <a href="https://rumbletalk-images-upload.s3.amazonaws.com/61922326bc2ef459e5ed5de71ef53a57/1566742100-1566741800194.jpeg">https://rumbletalk-images-upload.s3.amazonaws.com/61922326bc2ef459e5ed5de71ef53a57/1566742100-1566741800194.jpeg</a>	25-Aug-2019 10:03:21
	<b>Marc @ Toad Hall</b> Near Castle Danger. Yes "grove." Some good agates on the shore, too.	25-Aug-2019 10:03:27
	<b>Trish in MA</b> Earlier today the peloton went through Guadelest, which has an amazing salt-and-pepper shaker museum. Easily 5 big rooms of them. We spent hours there. Yet, I don't recall seeing a cyclist set.	25-Aug-2019 10:03:34
	<b>BusterSci</b> Yes, that's a lovely area, Marc.	25-Aug-2019 10:04:03
	<b>BusterSci</b> Charlie, I won't judge KY morels because I haven't had them. Does that mean I'm amorel?	25-Aug-2019 10:05:15
	<b>BusterSci</b> 67.4km and 3:31 the gap	25-Aug-2019 10:05:30

	<b>BusterSci</b> Gap is under 3m now	25-Aug-2019 10:10:09
	<b>Marc @ Toad Hall</b> Dainty eaters in that part of the world.	25-Aug-2019 10:10:22
	<b>BusterSci</b> I don't recall ever seeing a team kit that purple.	25-Aug-2019 10:15:15
	<b>Tim in KY</b> Just Bora of the sprinters team at the front?	25-Aug-2019 10:17:06
	<b>BusterSci</b> They've been leading most	25-Aug-2019 10:17:55
	<b>BusterSci</b> Astana pitches in a bit	25-Aug-2019 10:18:02
	<b>BusterSci</b> So an NRRBBB question for discussion: What is the most recent "classic" kit? By that I mean, in 20 years time when Prendas Ciclismo does their classic kits, who gets added the La Vie Claire, Molteni, Renault, etc?	25-Aug-2019 10:19:49
	<b>Trish in MA</b> I always like the Argyle kits of Garmin	25-Aug-2019 10:20:56
	<b>Bill Wilkinson</b> Trish: I'll have to find that place in Montreal!!I'll be up next summer for a Thai massage training....hopefully it's close(Mount Royal area).Parking there is a bear and I don't want to have to move after I get to my B&B....	25-Aug-2019 10:21:30

	<b>Trish in MA</b> Bill, it is in the next neighborhood to Plateau Mont Royal. Maybe 10-15 minutes from our apartment. Parking was easy. I'll get the name from our credit card receipt	25-Aug-2019 10:23:04
	<b>Tim in KY</b> The one Jeremy Roy rode in.	25-Aug-2019 10:23:54
	<b>Bill Wilkinson</b> Trish: Thanks! Always looking for good shrooms!	25-Aug-2019 10:24:52
	<b>BusterSci</b> Not a bad choice, Tim, as long as it isn't white below the waist.	25-Aug-2019 10:25:23
	<b>Donny</b> Us postal kit, maybe the disco kit. Those teams didn't win much but the kits were pretty dope	25-Aug-2019 10:27:05
	<b>BusterSci</b> The Sky kit without the bars, with the deep blue on top and black lower is a pretty sharp look.	25-Aug-2019 10:27:28
	<b>BusterSci</b> I think USPS and Disco are too busy for my taste--for classic status, that is.	25-Aug-2019 10:28:27
	<b>BusterSci</b> Certainly iconic, but no longer in the way they once were.	25-Aug-2019 10:28:56
	<b>Marc @ Toad Hall</b> Ewww, what about that women's team a few years ago in fleshtone lycra?	25-Aug-2019 10:29:15
	<b>Mons Soseman</b> Good morning	25-Aug-2019 10:29:20
	<b>Mons Soseman</b> Gosh, I don't believe I came in just after "fleshtone lycra"	25-Aug-2019 10:29:37
